## SKATING RINKS

AS 31.0  
NPS 95-99

### **POLICY:**

IT SHALL BE THE POLICY OF THE NIPISSING-PARRY SOUND CATHOLIC DISTRICT SCHOOL BOARD to allow rinks to be temporarily erected on school grounds subject to the following administrative regulations:

**NOTE:** An external person, group of persons, organization, club, town council, etc., hereinafter shall be known as the "**Applicant**".

### **ADMINISTRATIVE REGULATIONS:**

1. When an "Applicant" wishes to establish a skating rink on any Board owned land, a responsible representative of the "Applicant" will approach the school principal concerned and fill in a Board approved "Applicant Permit" for Use of School Building or Grounds.
2. The "Applicant" must provide evidence of good and proper liability insurance coverage, when applying for the use of school grounds for skating rink purposes.
3. The "Applicant" must receive final approval for the location of the rink on the school grounds from the Superintendent of Education prior to commencement of the rink installation.
4. The Board does not provide hydro services, snow removal services, supplies and/or flooding and cleaning equipment, rink board maintenance, school washroom or skate changing facilities. Water services may be provided if the supply is adequate.
5. All rink apparatus are to be removed from the school grounds, by the "Applicant", no later than April 30th of each year, nor be installed prior to November 1st in any year.
