

BOARD POLICY

POLICY: BTSL 4
SUBJECT: DELEGATION TO THE DIRECTOR OF EDUCATION

POLICY STATEMENT

The Board of Trustees will instruct the Director of Education through written policies which prescribe the organizational Ends to be achieved, and describe organizational situations and actions to be avoided, allowing the Director of Education to use any reasonable interpretation of these policies.

1. The Board of Trustees will develop policies instructing the Director of Education to achieve specified results, for specified recipients at a specified cost. These policies will be developed systematically from the broadest, most general level to more defined levels, and will be called Ends policies.
2. The Board of Trustees will develop policies which limit the latitude the Director of Education may exercise in choosing the organizational means. These policies will be developed systematically from the broadest, most general level to more defined levels, and they will be called Executive Limitations policies.
3. As long as the Director of Education uses *any reasonable interpretation* of the Board's Ends and Executive Limitations policies, the Director of Education is authorized to establish all further policies, make all decisions, take all actions, establish all practices and develop all activities. Such decisions of the Director of Education shall have full force and authority as if decided by the Board of Trustees.
4. The Board of Trustees may change its Ends and Executive Limitations policies, thereby shifting the boundary between Board of Trustees and Director of Education domains. By doing so, the Board changes the latitude of choice given to the Director of Education. But as long as any particular delegation is in place, the Board will respect and support the Director of Education's choices.
